

REMARKS

Entry of the corrections to the specification and the drawings is respectfully requested. Typographical errors in the specification are corrected.

The Y-axis in drawing Fig. 3C has been amended to correctly refer to the "spleen", as set forth in the brief description of Fig. 3C in paragraph [0020].

If the Examiner has any questions or believes a telephone conference would expedite prosecution of this application, the Examiner is encouraged to call the undersigned at (650) 838-4402.

Respectfully submitted,

Date: 10/14/05

Amendments to the Drawings:

Enclosed herewith is an amended version of drawing page 6, Figure 3C, in which the label on the Y-axis is corrected to refer to the Percent of Injected Dose in the "spleen", rather than the "liver.". An amended drawing is enclosed herewith and has been labeled "Replacement Sheet."
